Residents of Galiano Island were saddened by the sudden tragic death of Arnold Sater on Saturday morning, Nov. 27.

Mr. Sater was working on the foundation of a house for C. H. Fredrickson at Georgeson Bay assisted by John Hawthorne and Sam Fredrickson. He died a few seconds after suffering a fall at the site.

Mr. Sater was taken briefly to his home, then by R.C.M.P. launch to Ganges for a formal inquiry. Goodmans Funeral Home was in charge of arrangements for cremation.

Mr. Sater was born in Odal, Norway, on November 30, 1917, and came to Canada when he was quite young. He learned at an early age to be a carpenter, like his father, and had worked at this trade ever since moving to Galiano, with his bride of one month, 20 years ago.

He is survived by his wife, Clara; three children, Karen and Erling at home, eldest son Allan, in New Westminster; three brothers, Kenneth, at Galiano, Ivor and Olaf, working on northern Vancouver Island; five sisters, Mrs. Inke Morelli and Mrs. Esther Hopesh, Vancouver, Mrs. Edwin (Mary) Odberg, Saanich, Mrs. Harry (Ella) Jack, Campbell River, and Mrs. Norman (Alma) Smaback, New Westminster; also many nieces and nephews and his parents, Mr. and Mrs. Emret Sater, at home on Galiano.

All members of the family gathered at Galiano on Monday, Nov. 29, for a memorial service at St. Margaret's of Scotland church. Rev. H. Doody officiated. The church was filled to overflowing with friends of the family from Galiano. Mr. Sater helped to build St. Margaret's some years ago.

RATEPAYERS MEETING AT BRENTWOOD

Central Saanich candidates in the forthcoming municipal elections on December 11 will have an opportunity to address ratepayers at a meeting in the Brentwood W.I. hall, West Saanich Road, next Tuesday at 8 p.m.

Meeting is sponsored by Central Saanich council each year and also includes a report on council's work during the past year. Review of the year's activities will be offered by Reeve R. Gordon Lee, who will also explain proposals contained in the hospital referendum to be voted on by owner-electors on December 11.

SCHOOL BOARD

FOUR TRUSTEES ELECTED WITHOUT OPPOSITION

There will be no elections for school trustees in Saanich school district on December 11.

Trustees have been elected to the four vacant seats by acclamation. Re-elected to the board without any opposition were Trustees Mrs. E. P. Thomas of Saanich and Alex Porteous of North Saanich.

Two newcomers to the board who will take their seats at the first regular meeting in January are Vernon A. Beaumont, 7129 East Saanich Road, Central Saanich, and Reginald A. Clarke of Sidney.

Mr. Beaumont has succeeded Trustee Murray Gao who did not seek a further term on the board, while Mr. Clarke will become the Sidney representative on the board, succeeding retiring Chairman Gordon Campbell. Mr. Clarke will serve only a one-year term as Mr. Campbell resigned half way through his two-year term of office.

Other members of the Saanich school board with one year left before their terms are up are Trustees Mrs. Nora Lindsay, Saanich; Cuthbert Brown, Central Saanich, and John Kennard of North Saanich.

ELECT CHAIRMAN

Now school board chairman will be elected by the trustees at the first meeting of the new year.

Mr. Clarke is a property owner in Sidney but he resides at 3260 Cedar Hill Road in Saanich. A resident of Saanich since 1930, he has owned property at 2170 James White Boulevard in Sidney for the past seven years. Now retired, he was formerly employed with property and building management with the federal department of public works. The trustee-elect unsuccessfully contested the Sidney village council chair two years ago.

Candidates To Speak On Thursday

Candidates for election in North Saanich will be provided with an opportunity to speak out on Thursday evening next week.

Ratepayers' associations of North Saanich have called an election meeting in the Legion Hall on Mills Road for Thursday evening, Dec. 9.

All candidates will be invited to speak.

Hospital Vote Is Censured

Sidney Ratepayers' Association disapproves of the action of Sidney village council in approving the allocation of tax monies to hospital construction without prior reference to the ratepayers.

This formal resolution authorized on Tuesday evening, will be sent to Municipal Affairs Minister D. R. J. Campbell.

The meeting questioned the legality of an action undertaken by a partial council which would commit future councils. Sidney is the only municipality in the capital region to take the action without recourse to a referendum.

Golden Anniversary At Fulford

Mr. and Mrs. Robert Gibling of Fulford celebrated their golden wedding anniversary on November 20 with a full house of their children, grandchildren and close neighbors and friends.

Visiting on this occasion were Mr. and Mrs. Eric Gibling from Chemainus and their children, Jeanie (now Mrs. Larry Hutchinson of Hudson Hope), Marguerite, Deanna and Michell; Mrs. Joyce (nee Gibling) Carlson with children, Tom, Bob and Gail. George Gibling flew in from Ottawa for the occasion.

Mr. and Mrs. Gibling were married in Mansfield, Nottinghamshire, England, in 1915. They came to Alberta in 1919 and for the last 21 years have lived in B.C. The last nine years have been spent in Fulford.

A decorated cake with golden yellow rosebuds amongst the trimmings was the highlight of the refreshment table.

ALL-CANDIDATES MEETING MONDAY IN SIDNEY

Only all-candidates meeting so far announced for the Sidney municipal elections will be sponsored by the Sidney Jaycees at the K.P. Hall, Fourth St., next Monday evening, Dec. 6 at 8 p.m.

All eight candidates have indicated they will attend the meeting where they will be given an opportunity to present their platforms to village electors and answer questions from the audience.

It will be the only opportunity for Sidney voters to meet all candidates for the village council on a common ground. Chairman of the meeting will be W. J. Knowles, president of the Junior Chamber of Commerce.

Refreshments will be available following the meeting, supplied by the Sidney Jaycees.

No Communication From City About Proposed Water Levy

Deep Cove Waterworks District has received no official communication from the city of Victoria regarding a proposed city levy of about five cents per 1,000 gallons on water drawn from Elk Lake.

Board Chairman B. W. W. Clowes said Wednesday morning, "We haven't heard a word from them. All we know is what we have read in the newspapers."

Mr. Clowes recently wrote to the city council protesting the proposed levy, claiming that it would be hardship on many consumers in Deep Cove. He has not yet received a reply to his letter.

The Deep Cove district purchases

its water from Central Saanich which draws it from Elk Lake, therefore the city could not charge Deep Cove directly, Mr. Clowes noted. Any levy would have to be approved by the Public Utilities Commission.

Central Saanich officials are reluctant to discuss the proposal until they receive a direct communication from the city.

"We are prepared for it," said Councillor C. W. Mollard, chairman of the Central Saanich waterworks committee. He pointed out that the levy has been proposed unofficially on several occasions during the last few years.

NOMINATIONS CLOSED

Three Municipalities Field 22 Candidates As Five Seats Filled

—Central Saanich

Five candidates will vie for three seats on Central Saanich council at the municipal elections on December 11.

Incumbent Councillors P. F. Benn, R. M. Lamont and C. W. Mollard have been challenged by Harold Andrew, 1175 Verdier Ave., Brentwood Bay, and Percy Lazar, of 1797 Cultra Ave., Saanich.

Mr. Andrew is making his third attempt in as many years to gain a council seat.

Three successful candidates at the polls will each serve a two-year term.

The five Central Saanich candidates were nominated by the following residents: Mr. Andrew—Norman Grieve and Kenneth Stanlake; Coun. Benn—W. F. Grafton and A. Annandale; Coun. Lamont—N. B. Bellamy and J. E. Gort; Mr. Lazar—George Hafer and Maurice Michell, and Coun. Mollard—Richard George Marsh and John E. Tanner.

SALE AND TEA FOR RETARDED

Greater Victoria Association for the Retarded is holding the fifth annual Christmas tea and bake sale on Wednesday, Dec. 8 from 2 p.m. to 5 p.m. at 1450 Elford St., Victoria.

There will be an assortment of mince meat, pickles, Christmas cake, cookies, cakes and nut loaves.

Craft products and novelties as well as King Alfred Cakes, Yule Logs and Treated Fir Cones will also be on sale. These are all made by young adults attending the centre.

Afternoon tea will also be prepared and served by the young adults. This is an opportunity to come and see what is being done at the Elford Occupation Centre.

IN TWO AREAS

Cost Of Library Service Is Outlined For Voters

Cost of library services in Sidney and North Saanich if ratepayers approve the program will be between \$11,000 and \$12,000 annually. This figure is based on the 1965 cost and population figures.

North Saanich would pay in the region of \$6,000 and Sidney about \$5,000, because Sidney's population is slightly smaller.

The manner of raising the funds is the prerogative of the municipality concerned.

"The council may impose a specific mill rate for library service or it may set the cost against its general revenue. It may also impose a special tax to meet the cost involved.

Cost in both areas would be in the vicinity of \$1.50 per annum for each ratepayer. In cases where a property owner is covered by the home-owners' grant the service would cost him nothing. Total cost to Sidney would have been less than the annual budget surplus in recent years.

AVERAGE COST

Average cost of library service in the Vancouver region is \$1.88. The

cost is one of the lowest in the province. This cost-comparison is not always a satisfactory criterion, commented a Victoria library spokesman. Although cost is a vital factor in deciding whether a community will be served by a library, he observed, the higher costs may well indicate a better service.

By this measure, Vancouver city, with its figure of \$3.90 per person, would be providing a better service than Burnaby at \$2.21.

Greater Victoria Public Library cost of operation works out at \$2.36 per capita, or 28 cents above the Vancouver Island service.

Cost represents the acquisition of books and their maintenance as well as the price of wages.

Cost of library services was furnished by the Victoria Public Library.

Record Return To Board

Saanich School District has possibly chalked up a record this year. On Monday four trustees-elect were named to office by acclamation.

The history of Saanich School District is filled with incidents of acclamation or appointment in default. The return of all four candidates without an election is a new feature.

In Saanich Mrs. E. P. Thomas will serve for another two years. In North Saanich Alex Porteous will retain his seat.

Newcomers are Vic Beaumont, of Central Saanich and R. A. Clarke, of Sidney.

Withdrawing from the activities of the school board at the close of the year are A. G. Campbell and Murray Gao. Mr. Campbell has served for a number of years as chairman of the board. His successor in this office will be named by trustees at the first meeting in January.

In Sidney

Three contests were assured in Sidney when nominations closed on Monday at midday.

Two candidates already announced for the chair, Commissioner Andries Boas and A. W. Freeman were left to conduct a two-way campaign.

Seeking the two two-year terms are J. E. Boshier, H. E. Rasmussen and Dudley Johnson. In the race for the sole one-year seat are two newcomers to municipal life, W. W. Gardner and K. J. Norgaard.

All candidates are well-known in the community.

Commissioner Boas is reaching the close of a two-year term on the council. He is a contractor and proprietor of an apartment block in Sidney.

A. W. Freeman is a former commissioner. He is serving at the present time as chairman of Sidney Recreation Commission. A commercial traveller, he has recently returned to make his home here.

J. E. Boshier is a retired nematologist from the Saanichton Experimental Farm. He is also a former commissioner and has been associated with many activities in the district for many years.

H. E. Rasmussen is an accountant. He is treasurer of the Sidney and North Saanich Chamber of Commerce and a member of the Jaycees here.

Dudley Johnson is proprietor of Uncle Dudley's Trading Post. An outspoken merchant in the community, he has been engaged in various trades prior to his present operation.

W. W. Gardner is a well-known merchant and has been in business in Sidney for several decades. Member of the Sidney Recreation Commission, he is associated with numerous community projects. A member of the Sidney and North Saanich Volunteer Fire Department, from its earliest days, he takes a less active part in its affairs today.

K. J. Norgaard is retired. Proprietor of an apartment block, he is also engaged in various other activities. He is the owner of the Blue Ford in which Santa Claus will travel around the San Juan Islands for the Jaycees this year.

LIONS' LIGHT

Sidney Lions are becoming restive.

Last week the Lions Club announced the preparation of a new cook book of recipes by Lions and their mates for general reading.

This week President James Brigham has indicated a new project, whereby the purchasers of the cook book will be able to read it. Lions are staging a light bulb sale.

On Saturday, Dec. 4, Sidney district will be canvassed by members of the club, selling bulbs for the club's charities. The bulbs will also be available from Sidney Pharmacy or from Roy's Chevron Service, Patricia Bay Highway.

Nurses Form Guard When Former Director Buried Here

Twelve nurses from Rest Haven Hospital formed a guard of honor on Monday at funeral services for Mrs. Ruth Elizabeth Scott (nee Stickle), a former director of nurses at the Sidney hospital.

Mrs. Scott passed away at Kelowna on November 25 at the age of 61. She was born in Edmonton and had lived at Kelowna for three years after many years in Sidney and Toronto.

Mrs. Scott trained as a nurse at the Seventh-day Adventist hospital at Sidney from 1924 to 1927 and was director of nurses there at different times over the years, lastly from 1948 to 1953. She left Sidney in 1953 and served at Boulder Sanitarium and hospital, Boulder, Colorado, until 1957 when she travelled to Toronto to become director of nurses at North York Branson Hospital. Mrs. Scott retired from this position in 1962 and came back to B.C. to retire.

Pastor A. Spenseth officiated at the funeral services at McCall Bros. Floral Chapel in Victoria on Monday. The services were followed by interment at the Royal Oak Burial Park.

Mrs. Scott leaves her husband, Edwin C., at home; two sons, Dr. Winfield Scott, Concord, Calif., and Dr. Kenneth Scott, of North Surrey; one daughter, Mrs. Robert Rowe of Hope, B.C.; 10 grandchildren; two brothers, Stanley Stickle of Angwin, Calif., and Bert Stickle of Pooma, India; four sisters, Mrs. Layla Davy of Modesto, Calif.; Mrs. Marie Owens, a missionary in Africa; Mrs. Helen White of Madras, Oregon, and Miss Adele Stickle of Toronto.

Funeral services will be held on Thursday, Dec. 2 at 11 a.m. in Holy Trinity Anglican Church, Patricia Bay, with Rev. Dr. K. M. King officiating. The services will be followed by cremation. Santa Funeral Chapel of Roses at Sidney is in charge of arrangements.

Forecast was requested by the school district for guidance in planning additions and alterations at Royal Oak junior secondary school. Long range plans for the school recommended by Buildings Superintendent Brian Shaw were approved by the board. Work visualized over the next several years will be geared towards a maximum enrollment of 500 students at the school.

WEAVERS PRESENT AWARDS

At the November meeting of the Victoria Hand Weavers' Guild prizes by popular choice for members' own weaving, were presented to Miss M. Hill and Mrs. C. L. Stanton.

The members were also advised that several pieces of weaving had been chosen by the Canadian Weavers' Guild to be shown in the travelling exhibit commencing in September, 1966.

It was with sincere regret the Guild learned that Mrs. J. L. White has had to give up her weaving. Mrs. White was instrumental in the organization of a Weaving Guild in 1936 and was president for many years.

We sincerely hope that she will be able to continue her personal association with the Guild and its members and extend our thanks for the gift of weaving books for the library.

Future Of Chamber To Be Decided

Future of the Central Saanich Chamber of Commerce will be decided at the next general meeting on Monday, Dec. 6.

President Percy Lazarz said on Monday that the chamber may be forced to disband or possibly amalgamate with another chamber due to lagging interest. Interest of Central Saanich businessmen in the chamber has fallen off steadily during the past two years, he said, to the point where it may be no longer practical to continue.

Mr. Lazarz has urged all members of the chamber to turn out for the next meeting on Monday at 8 p.m. in the Brentwood W.I. hall on West Saanich Road. Unless there is revived interest it may be the last meeting of the organization, he warned.

"MERLIN JONES" COMEDY AT SIDNEY THEATRE

Tommy Kirk and Annette Funicello star in Walt Disney's "The Misadventures of Merlin Jones" which will be screened at the Gem Theatre in Sidney this Thursday, Friday and Saturday.

One preposterous situation follows another as Merlin Jones, a young absent-minded collegian with a frighteningly high I.Q., shakes the foundations of a staid university with his laboratory lunacy.

Co-starring in this fantasy-comedy are Leon Ames and Stuart Erwin.

ONE MORE TEACHER FOR CORDOVA BAY

Additional teacher will be hired by Saanich school district to ease overcrowded classes at Cordova Bay elementary school.

Trustees were told last week that the school now has 449 students enrolled, eight above its entitlement.

Teachers should not be burdened with classes of 44 students or more, Board Chairman Gordon Campbell commented in recommending approval of the motion to advertise for one more teacher.

New Proprietors Plan Many Changes At Brentwood Store

New proprietors of Brentwood Bay Store, Jim Wall, 32, and Watson Borthwick, 24, are bringing a new look to the grocery business in the district.

They teamed up after working together for several years in the same Victoria supermarket.

Mr. Wall is expanding the meat department of the Brentwood store. A butcher for 15 years, he was recently meat manager of the city grocery chain store. He was born in St. John's, Newfoundland and learned the butcher's trade there before coming to Victoria in 1951. He is now living in the city with his wife and five children.

Mr. Borthwick was born at Dawson Creek but has lived in Victoria most of his life. Before coming to the Brentwood store he was produce manager at the large Victoria supermarket. Mr. Borthwick is now residing in the living quarters at the Brentwood Bay store with his wife and two children.

The two partners have many plans for the grocery store at Brentwood. They implemented new opening hours on taking over the business several weeks ago and the store is now open from 9 a.m. to 9 p.m. Monday to Friday. Saturdays the store is open from 9 a.m. to 7 p.m. and on Sundays hours are 12 noon to 9 p.m.

They are planning to install a 22-foot meat display case soon and will also add another 12-foot dairy case. A 24-foot produce counter has been installed and an additional 42-foot case will be added shortly.

Mr. Wall and Mr. Borthwick have done away with the small hardware department in the store and have now expanded the produce and groceries into this section.

A Record

If a record was chalked up on Monday in Saanich School District it is one of which we cannot be proud. Of four elections for school trustee, not one was disputed. Four candidates appeared for four seats and all were elected by acclamation.

Few aspects of community living are more urgent than the education of the young. No function of public administration takes a greater bite out of the taxpayer's pocket than does education.

Yet, only four people in 50,000 were sufficiently interested in this vital aspect of society to seek the opportunity of influencing it.

The four uncommon people of Saanich School District are to be warmly commended on their concern. They are to be congratulated on their success. We cannot, however, pretend that the results of this election are gratifying to the candidates themselves or to the community which proved too lethargic to contest their election.

This assumption of approval for lack of evidence to the contrary is less significant in North Saanich, where no opposition was voiced to the candidacy of Councillor J. B. Cumming for the reeve's chair.

The successful candidate is one of the few who has had experience of North Saanich administration. He has been closely associated with the long preparation for incorporation of the district and he is undoubtedly better versed in North Saanich affairs than any other man in the district.

His return without contest is, in fact, a tacit admission by his fellow electors that there is probably none better fitted to undertake this office during the next two years.

In this instance we may readily agree that Councillor Cumming was elected by acclamation. We cannot but suggest that in the majority of instances the term should be changed and we should employ the term, elected by default.

We're Fortunate

RESIDENTS of North Saanich, Central Saanich and Sidney are fortunate in the high calibre of the candidates who have offered their services to the three municipalities for the next terms. The districts will be well represented, regardless of which candidate are successful.

When a man or woman offers to serve at a council chamber, he or she realizes that the task will not be an easy one. Long hours of toll are the lot of those who are chosen at the polls on December 11. The work is often exasperating—but never uninteresting.

Heaviest load will undoubtedly be carried by those elected in North Saanich for the next year will be the formative one in the life of the young municipality. Meetings will be more frequent and understandably of longer duration until the district is running as smoothly as some of the more senior ones in the area.

Mrs. Horth Seeks Two-Year North Saanich Council Seat

Mrs. H. G. Horth, already active in many aspects of community work is making her first appearance in the municipal field. She will seek a two-year term as councillor in the North Saanich elections on December 11.

Mrs. Horth is a charter member and past president of the Sidney Business and Professional Women's Club. She was a charter member and the first president of the Ladies' Auxiliary to the Royal Canadian Legion. She is currently a member of the Community Planning Association of Canada.

The candidate is the older daughter of the late Capt. E. Livesey, who was prominent in post-war public affairs on Saanich Peninsula.

Active in the Peninsula Players and in a number of Anglican church organizations here, Mrs. Horth has spent most of her life on Saanich Peninsula.

WIN ALL THREE GAMES

SAANICHTON TEAMS ON TOP

Saanichton basketball teams won all three of their games Saturday evening at the Agricultural Hall.

The first game, between Saanichton midget girls and St. Anne's Academy, ended 28-12 in Saanichton's favor.

Score for the second game, be-

tween Saanichton Midget Boys A team and Brentwood ended 18-16 in favor of Saanichton.

Saanichton Bantam girls took the final game of the evening 20-19 from Victoria First United B Girls.

The last two games were exceedingly well played and very close all the way.

The Saanichton Bantam girls won one other game during the week. They met the Sidney girls in a game at Sidney last Monday and won with a score of 17-6.

Saturday night games at the Agricultural Hall this week are: Saanichton Midget girls vs. First United B at 7 p.m.; Midget Boys A team against Sooke Boys 8 p.m.; and Saanich Bantam Girls vs. Cordova Bay, 8:45 p.m.

meeting, the position of "B" Pack will be a very precarious one. It does not matter if you have had any previous training, nor whether you are a mother or father volunteer—anyone who cares enough to volunteer will be given all assistance necessary from trained personnel.

Please try to attend this meeting, and if you know of anyone who is interested in helping train these young boys, urge them to attend with you and offer their assistance.

AN URGENT APPEAL IS SOUNDED

By SIDNEY SCOUTER

Group Committee of the Boy Scouts of Canada, 1st Team Unit Group, have called an emergency meeting for Monday evening, Dec. 6, at 8 p.m. in the Scout Hall and would particularly appeal to all parents of "A" and "B" Cub Packs to attend.

At the annual meeting held in September, leaders volunteered for most packs, but now one leader has been transferred from this area, which leaves only one Scout for "B" Pack.

If several volunteers do not come forward at the above mentioned

Letters To The Editor

There's Nothing Else To It!

("Library Plea is Intellectual Snobbery," says Mrs. Eva Hinton . . .)

I took a stroll up Beacon, in November, yeah—this fall just to see how things were going in the street. And I saw them all sitting on the bench against the wall. So I stopped, and took the only vacant seat. And as I sat and listened in to what the old men said—they were talking of the good days past and gone—A kind of funny notion came and popped into my head. So I spoke to one old geezer on his own.

"And now, old man," I said to him, "with your keen judicious eye. What think you of the referendum near?" With upturned face and half-closed lids he squinted at the sky. Then he turned and whispered softly in my ear.

While icy fingers clutched my heart I sat with head bowed low. I heard the dreadful tale he had to tell. How once he'd been a happy feller, always on the go. Of how two words had sent him plumb to hell. And I heard of others like him, in Sidney by the sea. They were chatting, walking, talking all around. They were men and women, girls and boys, all there in front of me—And still I sat with eyes glued to the ground.

Then I raised my head and turned to him and I felt my words had weight. And I gripped his arm and looked him in the eye. And I said "Old man, you know full well," and my voice began to grate.—"And please don't go on squinting at the sky—But you know full well, as well know I, there are places you can send. The Provincial open shelf is wide and free. And if they've books, though I doubt, they do not want to lend. You can get them from the good old U.B.C."

"There are books in schools, there are books in town. There are books on almost every other tree. It's a simple fact that it's quite well known. It's as simple as the simplest A.B.C."

His squinting eye forsook the sky and it sadly gazed on mine. And I felt his clutching fingers grip my coat. He chose his words with a studied care and they held a touch of brine. Mixed in with a strange and vaguely wistful note. "Though I'm old, young William," the old man said, "my mind is not yet gray."

I can still pick out the bulls, pick out the cows: And that's the point, my dear young friend, don't go new—just you stay. Have you never heard that people want to browse?

"For if you can browse by mail, my lad, that's more than I can do—Tried browsing on a posted printed sheet? If you get your chosen book, my boy, within a month or two. You've got me beat, my lad, you've got me beat. I could go to town and browse, you say? A mite too far for me. It's much too far for us old guys to roam. And I rather think, though I'm not too sure, there's a government decree That stops you browsing eighteen miles from home."

So I laughed and got upon my feet and left him there that day. And I thought of all the many feet that trod. In the footsteps of that fine old chap with the keen judicious eye. That fine old, grand old intellectual snob.

Don't You Ever Want To Browse?

If you can read, and I know you all can. The buy of the year is at your right hand. If you vote "YES" for the library, you Can learn to do what you want to do.

Do you want to know how to:

Build a boat.
Plant a tree.
Stay afloat.
Sing off key!
Knit a scarf.
Sew a seam.
Have a laugh.
Or, saw a beam.
Learn to act.
Make some money.
Add, subtract
Or harvest honey.

Or would you rather:

Travel far
At little cost
And never find
That you are lost.
Learn to climb
Without a blister.
Solve the crime
Of Who killed Sister?
Teach your child
To pass a test.
Put your feet up
And just rest . . .

With a good book in your hand?

This isn't just for a very few. It's for us all, the old and new. You'll be able to see where your money goes. Because, for once, it'll go where it shows!

GRATITUDE

May we through the medium of The Review give our thanks to the many people in Sidney and all surrounding districts.

For more than eight years my husband and I have operated the Sidney Florist and Garden Shop and have greatly enjoyed the experience. In those years we have made many friends.

Very few days have passed by without some one dropping in for a chat, not necessarily to buy, but to add to the day with a friendly "Hello—how are you?"

It will be to my loss that I am leaving this friendly store. I can still meet them on the street and say hello, but a little something will be gone for me.

We were strangers in Sidney when we took over the store, now we feel part of the village only through these kind friendly people. May I repeat on behalf of my husband and children and myself: Thanks for the memory.

GRATITUDE

I would like to thank those of your readers who have contributed to our "Moving Fund" box for the Good Shepherd Shelter. To date we have collected in many varying amounts, all much appreciated, a

total sum of \$30.03. This amount, together with a cheque for \$50 previously donated, have been sent to the Shelter with the best wishes of animal lovers in Sidney to Mother Cecilia and the Sisters for their move to new quarters. The collection box will remain on our counter (at Cornish's) for the time being to accommodate others who may still wish to contribute.

GRATITUDE

Having just returned from Rest Haven Hospital where I spent eight rest-filled days under the ever watchful eyes of a very efficient and dedicated staff of nurses and hospital aids, I want to tell the people of Sidney and district how very fortunate we are to have this hospital and all the wonderful and devoted staff who give so much of themselves to make our stay a pleasant one.

I have two reasons for writing this article. First and most important, to express my heart-felt gratitude to all the nice people at Rest Haven Hospital for proving to me that modern surgery does not mean long and dreary days and nights of suffering to follow.

"Thank you" sounds so inadequate

Santa's Sale For Sanscha

By MRS. SANTA

Well folks, the great day will soon be here and I do hope it will be a great day and that we will be able to pay off our debt for the parking lot, so please come to our bazaar with your pockets full of money.

The Susies have so many beautiful things for you to buy.

I am sorry I cannot be at the bazaar myself, but I am sending my little Fairy "Twinkletoes" instead, so be sure you watch for her.

Before I go back to the North Pole I want to say thank you to all those ladies who have been phoning you for home-cooking and candy, and also to thank all of you who have donated to our bazaar.

Now folks I will just say "Merry Christmas" to all of you, and a Very Happy New Year, with love from Santa.

Entertains At Harbour House

Mrs. A. G. Agar entertained at a coffee and sherry party at Harbour House on Wednesday, Nov. 24.

The main lounge was attractive with large bowls of winter greens and yellow and bronze chrysanthemums.

Among those present were: Mrs. J. B. Acland, Mrs. G. S. Humphreys, Mrs. P. D. Humphreys, Mrs. R. C. Hill, Mrs. W. Knox, Penicton, Mrs. Knowles, Mrs. Colin King, Mrs. Fred Morris, Mrs. Charles Moat, Mrs. Walter Mailey, Mrs. T. A. Milner,

as an expression of gratitude to the Associated Physicians of Sidney and especially Dr. Moffat who can so ably calm the nervous tensions we cowards have a way of inflicting on ourselves before we even enter the hospital.

I was very impressed by the confidence the doctor was able to give me and I might add, overjoyed by the fact that at no time, before or after the operation was there any pain or discomfort.

That brings me to my second reason for this article, to assure others who may be suffering the pain and discomforts that minor surgery could correct, how foolish it is to delay the issue.

I am very happy to call British Columbia my home where my B.C. Hospital Plan and my B.C. Medicare Plan cover all expenses. Not having the added pressures of these bills plays a very large part in the quick and successful convalescence that follows. If I were to count my blessings on my fingers I know I would soon run out of fingers.

Many thanks to the Sidney Review for allowing me this space and to the very able and talented staff for the time I know they will spend correcting my spelling and arranging this article so it will best convey my eternal gratitude to those wonderful people at Rest Haven Hospital. God bless them all.

"For the Son of man is come to seek and to save that which is lost".
Luke 19:10.

A recent news article told of a young man who almost perished in the woods because he was lost. He had started out to help others in a search for a friend who had become separated from the searchers.

It was not long before he realized that he himself was lost. His salvation was in the realization that he was lost and he stayed near to where he had become separated from the searchers.

So it is in the spiritual world. We start out in life thinking that we have all the answers and that all is well. But soon the questions start in our minds: What are we here for? What is the purpose in life? Where are we headed? The plain fact is that we are all lost until we are found by Jesus Christ. The Bible says that we each one "has turned into his own way" and therefore we are wandering lost in a complicated world.

There is no reason to remain lost. Just as the man above did and realize you are lost and wait for the Eternal Searcher. Jesus has come to seek you out and if you will only call upon Him then He will also save you. This is the purpose of His coming, because of His love for you. If you wish any help in your spiritual life this church stands ready to help you.

EDLINGTON CALLS FOR COST CARE IN RUNNING OF NORTH SAANICH

Civil servant and a prominent legionnaire, Frank Edlington will seek a two-year term as councillor in North Saanich.

Mr. Edlington is the immediate past president of Saanich Peninsula Branch of the Royal Canadian Legion. He is also a member of the Sidney and North Saanich Chamber of Commerce, a director of Sanscha, member of the North and South Saanich Agricultural Society, a director of the Saanich Ploughing As-

sociation, member of the North Saanich Centennial Committee and president of Patricia Bay Local of the Civil Service Association of Canada.

A veteran of the Second World War, he has resided in North Saanich for 30 years. He makes his home on West Saanich Road.

Mr. Edlington has been among the more outspoken advocates of incorporation for North Saanich.

His policy will be "to maintain the tax structure and mill rate as close as possible to the level we now enjoy."

LONG PROGRAM

A progressive and long-term program of road construction, reconstruction and maintenance is needed in accordance to the needs and requirements of the district, observed the candidate. He also looks to a long-term program of progressive development.

Mr. Edlington was superintendent of the Elk Lake Water system for 14½ years. This system then supplied water to the north end of the Peninsula. Latterly it has been assumed by Central Saanich municipality and serves all of Saanich Peninsula.

Mr. Edlington is today in charge of the water distribution and sanitation at Patricia Bay Airport. His experience, he believes, should be of value in future negotiations for water and sanitary facilities in the area.

The candidate's final comment was to urge ratepayers to attend the polls.

"I don't mind who you vote for," he said, "but please vote!"

Christmas Bazaar At Port Washington Draws Steady Crowd

Annual Christmas bazaar of the Pender Island Women's Institute, held at Port Washington Hall on Wednesday, Nov. 17, was a pleasant and successful occasion and the members have expressed their thanks to those who gave it such "generous support."

Particularly attractive were the decorations, and fragrant pomanders, and the sewing stall's collection of rag dolls and stuffed animal toys as well as some fine needlework.

Home cooking disappeared within minutes of the opening and though the weather might not tempt gardeners, plants and bulbs were cleared by closing time.

BAHA'I WORLD FAITH

From every standpoint the world of humanity is undergoing a reformation. The laws of former governments and civilizations are in process of revision, scientific ideas and theories are developing and advancing to meet a new range phenomena, invention and discovery are penetrating hitherto unknown fields revealing new wonders and hidden secrets of the material universe. Old ideas and methods are obsolete and worthless now. Old standards of ethics, moral codes and methods of living in the past will not suffice for the present age of advancement and progress.

GEORGE SLINN IS NAMED BY LEGIONNAIRES AGAIN HERE

Gulf Islands branch of the Royal Canadian Legion held its regular meeting at Saturna on Wednesday, Nov. 24. There was a fair attendance of members and the chair was occupied by the president, George Slinn.

Much of the meeting was concerned with the Legion's plan for the country's centenary. Most of the discussion concerned preliminary arrangements and arrangements were left to individual island committees to start the ball rolling.

One new member, M. C. A. Chambers of Galiano, was admitted to membership of the branch.

A vote of thanks was passed with acclamation to the Ven. Archdeacon R. B. Horsfield of Ganges who filled in for the regular padre at the annual Armistice service.

The annual sale of poppies yielded

approximately \$183. The balance of this sum, after paying for the poppies purchased, goes into the emergency fund, to help needy veterans in the area and for charitable donations to comrades in other areas where disaster hits.

Following the regular meeting, the annual general meeting was held and the following officers were elected to form the executive for the years 1965-66.

President, G. Slinn; first vice-president, W. Warlow; second vice-president, R. Hindmarsh; Sergeant-at-Arms, M. Little; secretary-treasurer, W. W. Hunt-Sowrey; chaplain, Rev. B. A. J. Cowan, Rt. Rev. Monsignor J. L. Bradley, D.P.; public relations officer, W. W. Hunt-Sowrey; auditor, D. Balsillie.

ROAD WORK RECOMMENDED ON GALIANO

There was a good attendance at the quarterly meeting of the Galiano Island Chamber of Commerce held at the Galiano Hall on November 17. In the absence of the president, Fred Robson, Mel Spouse took the chair.

W. D. Beach, the North Galiano representative, reported for the committee that is working on the electricity program. This is progressing favorably, he said.

Tom Carolan, roads chairman, told of a recent meeting with H. McLead, the roads engineer from Nanaimo. It was suggested that the road to the Gulf side is now more widely used, and should have extensive work done soon. Mr. Carolan also explained the problem of dust on the road leading to Montague Park, and recommended that it be blacktopped.

A notice of amendment was introduced, to be brought to the general meeting in February, stating: That the council consist of only four officers and eight council members.

The general meeting and election of officers will take place in February.

SERVICES FOR RETIRED NEWSMAN

O. L. Leigh-Spencer, 81, retired publisher of the Vancouver Province, died at the Gulf Islands-Lady Minto Hospital on November 23, following a lengthy illness.

His newspaper career began in 1907 when he joined the Calgary Herald as advertising manager and ended in 1947 when he retired as publisher of the Province.

Mr. Spencer served as a member of the board of directors of Southam Newspapers and was a director of the Canadian Press news agency. He was a past president of both the Canadian Daily Newspapers' Association and the B.C. Daily Newspapers' Association.

For many years he was interested in waterfowl conservation and for several years was president of Ducks Unlimited of Canada, an organization he helped found.

Mr. Spencer was predeceased by his wife in September, 1961. He is survived by one daughter, Mrs. R. F. S. Robertson (Dorothy), Pinawa, Manitoba; three sons, Oliph (Bill), Vancouver, Frank, Winnipeg and Gerald, Vancouver; and 11 grandchildren.

Funeral services were held last Friday, Nov. 26, from St. Mark's Church at 1 p.m. with Archdeacon R. B. Horsfield officiating and Goodman's Funeral Home was in charge. Cremation followed the services. Flowers were declined but donations may be made to St. Mark's Anglican Church.

Honorary pall bearers were: H. H. C. Anderson, Dr. O. L. Stanton, L. F. Nicholson, Bernard Krebs, E. G. Meaden and Lt.-Col. Desmond Crofton. Active pall bearers, Fred Morris, Graham Shove, John H. Sturdy, Campbell Carroll, all of Salt Spring, and Mervyn J. Moore and James G. Humphries of Vancouver.

An afternoon wedding was held in the Ganges United Church on November 20, when Linda Joanne, second daughter of Mrs. Joe Umland and the late Joe Umland of Cobble Hill, was united in marriage to John Angus Campbell, only son of Mrs. Joseph Campbell and the late Joseph Campbell.

The bride wore a deep blue suit with white accessories, and a corsage of sweetheart roses and white chrysanthemums. Her bridesmaid was Miss Beverley Umland and Harold Sprecher was best man. Mr. Baden Smith gave the bride away.

A reception was held at the United Church hall before Mr. and Mrs. Campbell left to spend a short honeymoon on Vancouver Island.

They will reside at Britannia Beach where Mr. Campbell is employed at the copper mine.

See Display Of Old Pictures Island Historians

Monthly meeting of the Gulf Islands Branch, B.C. Historical Association, held on November 21 at Port Washington Hall, was well-attended by representatives of all but Saturna Island. The ferry does not serve Saturna at the appropriate time.

Plans were furthered for the annual conference of the association in May and an interesting collection of photographs of early days on the Islands, and the Saanich Peninsula, were on display.

Guests of the president were two daughters of pioneer families, Miss Dora Payne, whose parents were among the earliest residents of Saturna Island, and Mrs. Chambers, nee Ruth Enke, whose father came to Galiano Island early in the century, and whose name will long be connected with the Bluffs Park.

POPULAR EVENT

Golfing Trophies Presented At Galiano Club Dinner

Annual dinner of the Galiano Golf and Country Club was held at the club house recently and a full house with a waiting list attested to the popularity of this occasion.

The blessing was asked by D. A. New and toast to the queen was offered by the chairman for the evening, Dr. H. D. Barner.

Dr. Marner introduced the members of the committee: club chairman, Bernard Stallybrass; secretary, Mrs. Bill Burton; club captain, Mrs. Ed Lee; committee members, George Georgeson, Mrs. Sophia Rustad, Mrs. Betty Steward and Bill Burton.

MANY TROPHIES

The following trophies were then presented: men's cups—Sevenacres trophy, Dr. Barner, runner-up, Jack Howard; President's trophy, James Hume, runner-up Bill Beach; Gossip trophy, Jack Howard, runner-up Bill Beach; Jack trophy, Robert Aston, runner-up, Victor Zala.

Ladies cups—Blackwood trophy, Irene Lee, runner-up, Roma Aston; Price trophy, Betty Steward, runner-up, Irene Lee; Nixon Rose Bowl, Irene Lee, runner-up, Betty Steward; Tothill trophy, Margaret Robson, runner-up, Sallie Riddell.

Junior Cup, Beachwood trophy, won by Richard Ansley, runner-up, Daphne Thompson; Intermediate cup, Beachwood trophy, won by Robin Denroche, runner-up, Rich Tweedale.

INTER-ISLAND

The ladies' inter-island trophy,

may be left at "Driftwood" for collection by her. Plans were made for preparing the Christmas hamper for local distribution to veterans' families and individuals.

Tea was served by Mrs. E. Worthington and Mrs. R. B. Horsfield and a social half hour was enjoyed.

the Georgeson trophy, was won by Galiano ladies again this year. Under captain Irene Lee, players were Betty Steward, Roma Aston, Phyllis Stafford, Phyllis Barner, Derry Barner, Doris Tothill, Betty Wintemute and Frankie Spouse.

Three "fun" trophies were also presented: to Victor Zala, for "A real good sport," Jean Pattison, "the most improved player for the year," and to Mel Spouse, "the most frustrated player."

Thanks were extended to Irene Lee for her work as club captain during the year. Thanks were also given to Robert and Roma Aston.

WON IN 1943

It is interesting to note that the trophy won by James Hume, who will be 81 in February, was also won by him in 1943. He began playing golf on the Island in 1936, and has done a great deal of work over the years to see the course in the condition it is today. Mr. Hume enjoys good health and is one of the most popular players on the Island.

Following the dinner the tables were cleared and music for dancing was supplied by David Weatherell. The dancing was led off by Mr. and Mrs. Bill Cottrell.

AWARDS PRESENTED TO AYRSHIRE 4-H CLUB MEMBERS ON ACHIEVEMENT NIGHT HERE

Saanich Ayrshire 4-H Club held the annual achievement night on Wednesday, Nov. 10, in the pavilion at the Saanichton Experimental Farm.

The program took the form of a family-style dinner. The meal and the decorations of the hall and

tables were the work of the mothers and friends of club members. On display were the pages of the club's historical scrapbook and prize ribbon collections.

The president, Bonnie Reimer, was chairman for the evening. Tom Saville presented the secretary's re-

port and Joanne Adams read her essay on 4-H which she is entering in a provincial competition.

PRESENTATIONS
Alex Hall took charge of the presentations. Ken Jameson, district agriculturist from Duncan, presented junior badges to Darlene Adams and Eddie Whelan for herdsman-ship; to Bob Saville and Eddie Whelan for showmanship, and to Eddie Whelan for judging.

All 11 members received ribbons and prize money for calf club achievement. Eight members were recognized for their yearling club achievement.

Five members of a team received cheques from the P.N.E. and two boys were given small awards for square dance competitions.

BEST CALF
The A. Stevenson trophy for the best Ayrshire 4-H calf at the Cowichan Exhibition was presented to Doug Reimer. Doug Saville won the Fernlea trophy for the best 4-H yearling at the annual Vancouver Island Red and White Show and Lynn Reimer won the Haughland Shield for the best fitted and shown 4-H calf at the same show.

A special prize for showmanship was given to Doug Saville, who, during 1965 has received first prizes at all fairs he attended—the Jaycee Fair in Victoria, the P.N.E., Saanich Fair and the Duncan fair. Doug was the top junior showman at the P.N.E. and top dairy showman at the Saanich Fair.

PARENTS' GROUP SUPPORT PLAN FOR LIBRARY

McTavish Road P.T.A. discussed the referendum on a library service for this area. The following resolution was passed:

That the McTavish Road P.T.A. go on record as supporting the referendum for a library service in this area. A copy of this resolution is to be sent to the Sidney and North Saanich Library Committee.

A copy of this resolution along with a mimeographed appendix of "Facts pertaining to the Library referendum to be held Dec. 11, 1965" is also to be sent to each parent in the McTavish Road School.

ment score for juniors was won by Joanne Adams and the B. and K. trophy for top achievement for the club went to Lynn Reimer. These achievement scores are taken from a possible score of 800 points. Maximum 100 points is obtainable in each of the following categories: attendance at club meetings; attendance at club functions; public speaking; club participation; judging and showmanship; project management; project record book and placing of calf in ring on show day.

Evening's program concluded with some skits by club members and the showing of a film on the Portage Mountain dam by Mr. Hall of B.C. Hydro, an assistant leader of the club.

Discuss Plans For Addition To McTavish School

McTavish Road School P.T.A. members were urged by Mrs. R. F. Thuillier at the regular November meeting in the school on Monday, Nov. 15, to support the library referendum to be presented to the ratepayers of Sidney and North Saanich on December 11.

The principal, Mrs. MacKinnon, discussed the plans for the addition to McTavish Road School which it is hoped will be completed by the beginning of the fall term in 1966.

Mrs. D. Langtry, the president, will seek a convener for a telephoning committee to inform parents of coming meetings of the P.T.A. and other school events.

It is hoped to have a meeting with Sidney School P.T.A. shortly after the beginning of the New Year at which time there will probably be a speaker from the department of social welfare.

GARBAGE SERVICE AGREED

Garbage collection in Sidney will be on a five-year plan.

On Monday evening Sidney village council approved a five-year contract for the collection of garbage at a slightly reduced rate.

Cost to the village will be \$9,055 per annum, based on the present collection of 1,203 homes and 152 business premises.

Sidney Clean-up Service, operated by Ray Bowcott, was the contractor.

Girls' Group Featured At Church Service

Evening service on Sunday at Bethel Baptist Church gave recognition to Pioneer Girls Week.

The Pioneer Girls movement is an international Christian organization for girls Grade III and up through high school. The younger girls, the Pilgrims, as well as the older girls, the Colonists, sang hymns.

An interesting feature of the service was "Encampment" when Mrs. H. E. Nunn conducted the official ceremony in presenting awards and achievements to one of the Colonists. The service was concluded by the pastor's brief address on the theme of the evening, "Invitation to Leadership."

TWO COMPLAIN OF FLOODING

Flooding in Sidney has been the subject of two complaints to council.

On Monday evening the council decided that drains on Fourth St., at its southern end, would eliminate flooding of land and crawl spaces in the area.

In connection with similar complaints regarding Fifth St., the village decided to ask the provincial government for a storm drain between Beacon Ave. and Bevan Ave.

WATER AREA IS LARGER THAN SIDNEY

Planning report of the Sidney Waterworks District covers an area considerably beyond the boundaries of Sidney village and would have little bearing on Sidney projects, the council was told on Monday evening.

The village had asked for a copy of the district's planning report to correlate with road development in the village.

The board will meet with the council to discuss any specific problems, the council was assured.

The water planning report is sufficiently flexible to fit in with any roads program, concluded the water board letter.

Street Lighting

Street lighting on All Bay Road cannot be undertaken by the present council. On Monday evening a request for six street lights on All Bay was referred to next year's

CHRISTENING CEREMONY AT SIDNEY ANGLICAN CHURCH

Infant son of Mr. and Mrs. Gary D. Pearson, 2403 Lovell Avenue, was christened Sunday morning in St.

Andrew's Church, Sidney.

Officiating was Dr. Kenneth King of Victoria, assisted by Rev. C. Orman. Service was included in the Matins service with suitable hymns.

The baby was given the names Michael Timothy and the godparents are Mr. and Mrs. Stuart Ashby of Winnipeg. In their absence Mrs. J. D. Pearson stood proxy. Michael wore the heirloom gown his father had worn at his own baptism and his little brother Gary John was an interested onlooker.

Following the service, a buffet luncheon was served at the Lovell Ave. home. The white and blue christening cake bearing the baby's names and date, was placed on a little platform on the buffet, flanked by blue and white candles.

Alongside stood an arrangement of white Christmas roses in a china baby boot vase and the little angel figurine given to Gary John for his christening two years ago. Invited guests were Dr. and Mrs. King, Mr. Orman, Mrs. W. G. Hamilton, Mrs. Dorothy Townshend, Mr. and Mrs. Len Hawkins and their three children, Stephen, Jane and Judy, and grandparents, Mr. and Mrs. J. D. Pearson.

Rotary Ladies To Help Funds Of Salvationists

Rotary Ann monthly meeting was held Thursday evening at the home of Mrs. F. Derry, Beaufort Road. Mrs. D. W. Ruffie presided.

As the Rotary Annns are to be in charge of the penny social stall at the Sancha Susie bazaar on December 4, Mrs. A. R. Spooner displayed some of the articles to be raffled on that occasion.

In lieu of the Rotary Ann Christmas party, members, instead of exchanging gifts, donate \$1 each to a Christmas fund which will assist in the work of the Salvation Army and Save the Children Fund.

The regular December meeting will be held at the home of Mrs. W. J. Wakefield, Third St. The raffle prize donated by Mrs. Spooner was won by Mrs. Ruffie.

Assistant hostesses were Mrs. T. Flint and Mrs. F. Stenton.

TRAVEL THROUGH SIDNEY TAPERS OFF

International travel between Sidney and Anacortes, Wash., tapered off slightly during October, the customs and excise branch of the department of national revenue reports.

Total of 1,876 passengers arrived at Sidney during the month with 692 automobiles. Just 342 of the passengers were Canadian citizens. People leaving Canada for the United States via Sidney in October numbered 1,584, only 332 being Canadians. There were 618 outward-bound vehicles last month, including 113 with Canadian registrations. Yacht traffic was fairly heavy for October with a total of 51 vessels checking in at Sidney on their entry into Canadian waters. Canadian

Public Meeting Called To Explain Hospitals Bylaw

Hospital referendum to be placed before owner-electors on December 11 will be explained to Central Saanich ratepayers by council at a public meeting in the Brentwood W.I. hall on Tuesday, Dec. 7.

This will be council's annual meeting with the ratepayers of the municipality, when the past year's work will be briefly reviewed. It is also expected that council candidates will be given an opportunity to introduce themselves to the voters and express their views.

In placing the hospitals referendum before the voters, council will recommend neither approval or rejection. However, to fully acquaint voters with proposals contained in the bylaw information is being prepared in pamphlet form and will be circulated throughout the municipality.

Speaking at some length on the matter at the last meeting of council, Reeve R. Gordon Lee commented: "I wish to disassociate this council with any political overtones."

CONTENTION
The reeve said it is the contention of some people that when Premier Bennett as finance minister raised the sales tax from three to five per cent, he said that the additional two per cent would be dedicated to hospitals and if this was found insufficient additional monies could be taken out of general revenue.

vessels accounted for 14 of this number and they carried 55 passengers. The 37 foreign vessels calling at Sidney carried a total of 103 passengers.

Unfortunately, said the reeve, there is no Hansard record of the premier's speech, but this contention is supported by press clippings.

"Last year this two per cent amounted to more than \$50 million, but only \$36 million was spent on hospitals," the reeve said. "Mr. Martin (Health Minister Eric Martin) has admitted that the unspent money went to general revenue," Reeve Lee stated.

SHIFTED BURDEN

He charged that the provincial government has shifted the burden

of hospital financing to the municipalities and urged that the municipalities must now go to the government and say that they are not satisfied. "It is not the extravagance of the municipalities that is causing this situation," the reeve said. "In fact the rise in taxes for municipal purposes has been very little over the past few years."

"The public has already paid \$44 million in sales tax that has not been spent for hospitals and any further burden would amount to double taxation, especially for the property owners," Reeve Lee said.

Only owner-electors will be eligible to vote on the hospitals referendum which proposes a maximum two-mills "for purchasing, building, enlarging or equipping hospitals" in the capital region district.

I Never Had An Accident In My Life!
... Why Should I Pay Higher Insurance Costs?

Records for accident-free adult drivers show that almost 10% will have their first accident in the next 12 months.

He was proud of his record as a driver... never had an accident in his life, then he made a left hand turn in front of a European car. The settlement paid by the Insurance company... \$90,000.00. It can happen to you... a moment of inattention cancelled twenty years of safe driving.

Only YOU can **STOP** rising insurance costs.

INSURANCE AGENTS ASSOCIATION OF BRITISH COLUMBIA

and

ALL CANADA INSURANCE FEDERATION

OBSERVE SAFE DRIVING WEEK DECEMBER 1st TO 7th

Why are you* headed for higher automobile insurance costs?

Because an "average" accident last year cost \$810... a jump of \$113 in just 5 years

Automobile insurance rates in most areas of Canada will increase in 1966. Prudent drivers ask why premiums should rise again. Here are the key reasons:

- Every year the number of vehicles on Canadian roads is increasing... but the total cost of accidents in the past five years has gone up *three times* as fast as the number of cars which together must provide the money to pay for these accidents.
- And during the past five years the number of accidents has spiralled much faster than the number of cars that are on the road.
- In that same period the total cost of insurance claims has doubled.
- Since 1960 this claims cost has been climbing at an average of \$40 million a year. This year's insurance bill for accidents will total \$400 million.
- Each accident costs more than it did five years ago—the result of more expensive and luxurious cars,

increasing repair costs, higher medical expenses and compensation for time off work or lost income.

The only way to stop this spiral is to have fewer accidents. That is the best way, too, to cut the tragic toll of 4,500 deaths and 150,000 injuries in Canada each year. *Safety pays...* it saves lives and dollars.

*Even Good Drivers Have Accidents

Drivers with a three-year accident-free record earn a 35 per cent discount off basic insurance rates. But even good drivers have accidents. Eighty per cent of all accidents are caused by people who have driven three or more years without an accident. That is why the basic rates go up for everyone—even the good driver who still gets his discount.

BIG CEREMONY

NEW LOUNGE OPENED JUST 40 YEARS AFTER LEGION BEGAN

By JACK YOUNG

On November 25, 1925, the Legion was organized and during the past 40 years many changes have taken place. Last Friday evening, November 26, Saanich Peninsula Branch No. 37 celebrated that 40 years of existence with the opening of the new lounge facilities. The ceremony was a huge success despite the inclement weather. We will celebrate our own 40 years of operation next March.

Around 350 to 400 guests milled, pushed and shoved their way here and there in good humor, looking for a place to park their coats, over-shoes and carcasses. Everyone spoke highly of the new quarters which are a credit to the branch and those in charge of the building and the opening. Our good friend and life member, Lt.-Gov. G. R. Pearkes, V.C., was in good form as usual and spoke well of the Legion in general and our branch in particular and presented the branch with a picture of the late Sir Winston Churchill for the new lounge.

Secretary Les Martin was M.C. for the opening and contributed to the success of the evening and he expressed special thanks through the medium of this column to Art Rawcliffe and Dick Brown who were in charge of the car parking arrangements on that wet evening. Also

special thanks to Canada Herrington and her committee, who, through the year have been responsible for banquets, lunches and special occasions such as this. Our ladies seem to keep in the background, but without them the Legion would have a hard time to operate. It was good to see so many of our "old timers" out for the occasion. Thus passes another milestone in the history of our branch.

POPPY DAY 1965

Poppy Chairman, George Paulin and the branch, wish to thank all members who assisted in the Poppy Campaign and a special thanks to non-members who also assisted which includes the Sidney Branch of the Army, Navy and Air Force Veterans who contributed to the success of the campaign. A tentative financial report is as follows: sale of wreaths, \$709.50; donations, \$56; Sidney Tag Day, \$121.86; Poppy cans, schools, \$312.63; in stores, etc. \$632.02; total \$1,832.01. Cost of wreaths and poppies \$1,058.30; telephone \$20. There were surpluses of supplies from last year and supplies on hand now, which have not as yet been assessed. There will be a complete report later.

In charge of this fund are Gordon Hulm, Jack Pedlow, Andy Coldwell and Roy Tuttle. Our Welfare Officer, Sid Matlock, is a very hard

FURTHER DELAY FOR SCHOOL BUSES DELIVERY

There will be a further delay in delivery of two new school buses, Saanich school trustees were informed last week.

Trustee Mrs. Nora Lindsay reported that the company manufacturing the coaches has closed its plant and the company that has taken over the orders cannot guarantee delivery until January 15. Delivery date had previously been set back several times.

The school district has been hiring buses temporarily to fill the gap on two bus routes. However, Mrs. Lindsay said the bus manufacturers have supplied one 1951 model school bus free of charge until delivery of the new vehicles. This will reduce rental costs considerably, she said.

working member and has never been refused any appeal for assistance by the Poppy Fund Committee. He does not apply for assistance unless it is needed. He quoted several cases to me on request including this example: one family in particular had had to have medical attention continually until finally the family were in serious trouble with over \$2,000 medical bills. With the Poppy Fund and other veteran benevolent funds available to the Legion, we were able to take the load off this veteran. All cases reported are investigated and this service is to all veterans, whether they are members of the Legion or not. I might say that 80 per cent of the Legion's benevolent assistance is to non-Legion members.

CHRISTMAS TURKEY BINGO

Frank Edlington asks members to contribute cans of fruit, vegetables and other items to the Christmas hamper that will be drawn for at the Christmas Turkey Bingo on Wednesday, Dec. 15 when 20 turkeys will be the prizes. Contributions for the hamper can be left at the Sidney Barbours or Johnny's Barber Shop or at the general meeting on Monday, Dec. 13. The hamper will include a 25-pound turkey, plus the cans you donate and will be drawn for at the bingo. There will be no sale of tickets prior to the bingo. Make the 15th a date to keep open and attend the Legion Turkey Bingo.

CHRISTMAS HAMPERS

Any member knowing of a veteran family in need at Christmas please, phone Mrs. Mary Tuttle or any member of the Ladies Auxiliary. The auxiliary also takes treats of cans of cookies, etc., to "shut in" members and their families. They also have a pot luck supper on December 11 for Legion and Auxiliary members and their families. You are asked to bring some type of lunch with you and it is all put on the table and you help yourself to what you fancy. All members children 10 years and under receive a gift from the Auxiliary.

Dates to remember: December 6, executive meeting; December 11, Auxiliary Pot Luck Supper; December 13, general meeting; December 15, Turkey Bingo.

TWO CITY RESIDENTS HOSPITALIZED

Accident at the corner of Patricia Bay Highway and Weller Ave. sent two Victoria residents to hospital early Saturday morning.

George E. Burrell, 2760 Burdick St., Victoria, was rushed to Rest Haven Hospital and treated for shock and possible concussion. His wife, Kathleen Burrell, was taken to Royal Jubilee Hospital suffering possible fractured ribs and pelvis. She was later reported in good condition.

Driver and sole occupant of the second car involved in the mishap, Russell David Henry, Cole Bay Reserve, escaped injury.

R.C.M.P. at Sidney are still investigating the accident in which both vehicles were extensively damaged. Mishap occurred at 12:45 a.m.

APPLE DAY BRINGS \$110

Salt Spring Island Sea Scouts and Cubs had a successful Apple Day on Saturday, Nov. 27, when they raised \$110 gross, by selling apples at Ganges and Fulford.

Rod Pringle, organizer for the first Apple Day held on Salt Spring by the Scouts and Cubs, was most gratified by the generous response of the people of Salt Spring.

One of the outstanding stars of the forthcoming Ice Capades show, Brigitte began skating in her native Austria at the age of three. Subsequently she won the Junior European figure skating championship. The show will run from December 15 to 18 at Victoria's Memorial Arena.

COUNCIL TO PUBLICIZE LIBRARY

Sidney village council will publicize the December referendum on library service.

The council decided on Monday evening not only to offer its support to the project but to provide advertising and publicity for the library campaign and to arrange speakers at schools or clubs where information is sought.

DRIVER INJURED WHEN TRUCK ROLLS IN DITCH

Driver of a B.C. Telephone Co. panel truck suffered a broken collarbone last Wednesday when his vehicle skidded out of control on Patricia Bay Highway near MacDonald Park Road and rolled into a ditch.

Albert Tradewell, 566 Baxter Ave., Victoria, was rushed to Rest Haven Hospital shortly before noon by Sidney and North Saanich emergency ambulance.

R.C.M.P. at Sidney said the vehicle skidded on wet pavement when the driver applied brakes hard when signalled to stop by a flagman near a construction zone. The truck went off the side of the road and rolled once before coming to rest in the ditch. Vehicle is considered a write-off. No charges will be laid by police.

SPONSORS OF CANDIDATES

Nominating the Sidney council candidates were the following: Commissioner Andries Boas, Commissioner L. R. Christian and G. D. Frizzell; A. W. Freeman, A. A. Cormack and Dr. A. G. Moffat; J. E. Boshier, Frederick J. Baker and Mildred E. Roberts; R. G. Day, Gordon Smith and Commissioner John Kingler; H. E. Rasmussen, Frank G. Richards and Robert Martman; Dudley Johnson, J. S. Rivers and Frank Stenton; K. J. Norgaard, L. F. Wilson and Alan F. Gill; W. W. Gardner, Commissioner A. Boas and L. R. Christian.

Silver Anniversary

Silver wedding anniversary will be celebrated this Sunday, Dec. 5 by Mr. and Mrs. R. J. McCormick of 9601 Fifth St., Sidney.

Mr. and Mrs. McCormick were married 25 years ago in Brandon, Man. and have resided in Sidney since October 1948.

Mr. McCormick will also be celebrating his retirement. He retires this week from the civil service with naval stores, latterly at Patricia Bay Airport.

The Sidney couple has three children, Mrs. Rowena Deyotte, Patricia Day Highway, and Colleen 15, and Gayle, 11, at home. They also have two grandchildren, Jeannette, six, and Charleen, five.

To celebrate their silver anniversary, Mr. and Mrs. McCormick will hold an open house at their home from 2-4 p.m. and from 7-9 p.m. this Sunday.

PARENTS BEAUTIFY GROUNDS

BUT EFFORTS NEARLY REMOVED

Efforts of a group of parents to beautify the grounds of Lochside elementary school were almost lost recently.

Maintenance crew of Saanich school district was just preparing to remove some shrubs around the building to Cordova Bay school when they were informed that the

shrubs had been planted by the parents and not the school district. Removal of the plants was ordered in preparation for an addition to the school. The shrubs were moved, but just to another part of the Lochside school grounds.

School trustees were told last week that parents of students attending Lochside school have taken a pride in the appearance of building and grounds. Trustee Mrs. E. P. Thomas said shrubs were purchased and planted by the group of parents and were cared for during the summer. Commenting "I hope parents in other parts of the district follow this example," Mrs. Thomas recommended that a letter of thanks be sent to the parents at Lochside. Motion was supported unanimously.

FINE AND SUSPENSION

Having care and control of a motor vehicle while impaired brought a fine and licence suspension for W. K. Hamilton, James White Boulevard, in Sidney magistrate's court on Saturday.

Mr. Hamilton was fined \$350 and prohibited from driving except to and from work for two months. Also in court on Saturday two men were fined for keeping under-sized fish. Edward R. Martin and Raymond David Parker were each fined \$15.

William H. Thompson was fined \$30 for driving without due care and attention. Charge was laid by R.C.M.P. after Thompson's car backed into a ditch on Lochside Drive.

Arthur Thomas Reeves paid a \$15 fine for speeding on Lochside Dr., and Kenneth R. Miller was fined \$2.50 for parking too close to a fire hydrant in Sidney.

CHARGE LAID AFTER REAR END CRASH

Sidney man was fined \$30 in Sidney magistrate's court on Saturday for driving without due care and attention.

Charge was laid by R.C.M.P. at Sidney against Archibald Camelford, 9518 Maryland Drive, as the result of an accident on Patricia Bay Highway north of Weller Ave. at 4:30 p.m. November 22.

Police said the car driven by Camelford braked suddenly without

THREE CHARGES LAID AFTER ACCIDENT

R.C.M.P. at Sidney laid charges against the driver and two occupants of a car that rolled over on Lochside Drive at 7:50 p.m. on November 26.

Driver of the vehicle, Vernon Harold Jack, East Saanich Reserve, was fined \$100 for driving while under suspension when he appeared in Sidney magistrate's court on Saturday.

Two passengers in the car were both sentenced to prison terms for being interdict in possession of liquor.

Peter Jones elected to spend two months in jail in lieu of a \$200 fine, while George Jones was sentenced to three months in prison.

School Carpets

Copies of a magazine article regarding the use of carpets in schools were handed round to members of Saanich school board last week by Brian Shaw, building superintendent. Mr. Shaw said he offered them as information only and did not wish to make any recommendations.

Doney To Serve 15th Year At Head Of Fair

Albert Doney, Saanichton farmer, will serve as president of the North and South Saanich Agricultural Society for his 15th successive year.

Mr. Doney was re-elected on Monday evening, with a new vice-president and five directors.

Policy of the directors was sharply reversed when the meeting agreed

to the appointment of a treasurer-manager for Saanich Fall Fair. Henry Robinson, well-known Saanich farmer, was treasurer-manager of this year's fair on an experimental basis. The office was since eliminated.

Former director, Mrs. W. C. Woodward, was awarded a life-membership scroll in token of her work on behalf of the society.

Fall fair this year was the largest on record, stated Mr. Doney. It was also among the most profitable. After distributing over \$10,000 in prizes, the society has \$5,000 to devote to grounds and buildings.

New vice-president of the society is Bud Michell, with Doug McHattie, J. D. Wright, John Loooy and Aubrey Temblett as directors.

Sidney Driver Fined \$25 In Central Saanich

Sidney driver involved in a collision on the Patricia Bay Highway in Central Saanich on November 16 was fined \$25 on a charge of driving without due care and attention when he appeared in magistrate's court last Friday.

Police said Norman E. West, 10073 Third St., did not allow himself sufficient time to overtake a 65-foot semi-trailer unit and crashed into an approaching car driven by Cecil Hackett of North Saanich. Mr. and Mrs. West and Mr. Hackett were taken to hospital and have since been released. Police said Mr. Hackett's car was damaged beyond repair while the other car sustained about \$700 damage.

Three Endorsed By Group

Three candidates in Sidney will run for election on December 11 with the blessing of the Sidney Ratepayers' Association.

They are A. W. Freeman, seeking the chair and J. E. Bosher and H. E. Rasmussen, contesting two-year terms on the council.

The endorsement of their candidature followed a long dispute over

the manner in which candidates might be selected and whether or not the association should, in fact, sponsor any candidates.

Following the meeting both Chairman J. H. Larocque and Secretary A. R. Spooner announced plans to resign from the association in face of the meeting's rejection of the directors' plans.

Mrs. McDonald Called By Death

Funeral services were held at Sidney last Thursday, Nov. 25 for Mrs. Margaret McDonald, 87, who passed away at Rest Haven Hospital on November 23.

Mrs. McDonald was born in London, England, and had been a resident of the Saanichton area for the last 40 years, residing at 8129 Der-rinberg Road.

Predeceased by her husband, Alex McDonald, Mrs. McDonald is survived by her nephew, E. J. C. (Ted) McFeely, 8174 Wallace Drive, Saanichton.

Rev. Bernard Hanley officiated at services in Sands Chapel of Rest at Sidney on Thursday. The services were followed by interment at the Royal Oak Burial Park.

ERROR CORRECTED

Error was made in the last issue of The Review regarding the awarding of the sewer project contract for the foot of Ocean Ave. in Sidney.

Council awarded the tender to Naimo Divers Services Ltd. who submitted a tender of \$11,050. The tender was not the middle of three tenders, it was the lowest tender. The tenders submitted for the extension of the Ocean Ave. outfall were for labor only and did not include materials. The estimated cost of this project including labor and materials is \$17,500.

MORE ABOUT

LIBRARY

(Continued From Page One)

ished to Sidney village earlier in the year by regional librarian of the Vancouver Island Regional Library, F. T. White.

Mr. White explained that he was assessing his figures on the municipal population estimate of 2,479. "Our total budget for 1965 is \$240,000," wrote the librarian. "Each component of the library district, school district or municipality, pays a share of this, based on the percentage of the total population of the area represented by their own population."

He cited this example: Population of Sidney ... 2,479 Total population of area ... 119,039 Sidney's proportionate share 2.082% Sidney's share, per year ... \$4,997 This figure represents just under one mill.

The amount is the full year assessment for library service, observed Mr. White's letter. Changing population ratios and changing library budgets do not make this a stable figure, he warned, but it shows the cost closely.
